From our President ...

Hello Fellow Lions,

It is hard to believe that I have already gone through two months of my year. I just want to say thank you again for allowing me to be your president and to prove that Miracles do happen through service.

I know we have had a busy two months with the 4th of July parade, road cleanup, the Susan B Komen envelope stuffing party, the MDA telethon and most recently the East Cobber Parade and booth. We had a great turn out for the parade and we got cheers the entire parade route with our 9/11 patriotic theme.

We will be keeping the service projects flowing with the Habitat Run Booth,

Habitat Lunch, Cobb County Diaper Collection, Lassiter HS Craft Show Vision Screening, Wounded Warriors Fishing Tournament and of course our biggest service project Meals on Wheels.

Just remember that every project that we do whether a service or a fundraiser touches someone in our community.

In your service,

Lion Debbie
